The Director

Assistant General Counsel

1. The President has requested that there be submitted to him by 29 November any subject which agency heads wish to propose for inclusion in the President's State of the Union message. This should include a brief explanation of such subject and its relationship to the current activities and plans of the agency and the relative emphasis recommended.

2. Also to be included are any views which you may care to present for special Presidential messages in the coming Session.

3. It is not believed necessary to have the President include any material regarding proposed CIA legislation in his annual message, nor is it believed necessary that our proposed bill be forwarded with a special message.

4. In view of the above, it is felt that no action should be taken in this connection.
